Victory Over Vehicles

with Gail McCarthy, CNWI, NASCW Judge,
Certifying Official and Faculty Member

Saturday, July 15, 2023

Attend this seminar presented by Gail McCarthy and learn how dogs follow scent when working the vehicle element. Learn how to positively reinforce and encourage your dog's innate searching and hunting behavior when searching the vehicle element.

Gail will teach you how to clearly communicate with your dog that the vehicle element is a productive search area. She will offer ideas and tips on how to increase your dog's searching confidence and ways to develop your dog's drive for the nose work game especially with regard to vehicles.

At the end of this seminar you will have gained tips on search patterns around vehicles and how to overcome the distraction of complex outdoor environments. Most importantly, Gail will build YOUR confidence in reading your dog on the scent.
